

Selected to live

This is the story of one of the Jews who was hidden to protect her from the Nazis in World War II. She sidestepped the enemy in a series of narrow escapes and then in desperation accepted an offer to go underground. From September 1943 until the end of the war, she lived in the hiding places of sympathetic Dutch families. During this time she began reading the New Testament of the Bible and gradually realized that Jesus Christ was the Messiah her people had been waiting for. She accepted Him as her own personal Savior, knowing that through Him she had been selected to live. Johanna experienced and saw the miracle of Romans 8:36-39 that in the life of a child of God nothing can separate us from the ocean of Gods love in Jesus Christ.
