

Losing Control: BBW Romance: Plus-Size Pop-Off

Lynda had always been a curvy woman, but it didnt keep her down. From her large lips that she always wore her signature rose-red lipstick on to her large breasts and ample hips, she always felt confident. Sadly, she was also always in control. Responding to a racy message on her dating site, she realizes just what it means to lose control and the pleasure that can be found in it.
