

Eye of the Beholder (Eagle Squadron)

One look into Master Sergeant Rafe Mareks piercing blue eyes and Glenna Hastings knew she would survive. He was one of the best commandos in the legendary Delta Force, and it was his duty to protect her. As they fled from their hidden jungle prison, nothing could keep Glenna from giving her heart to the wounded soldier. Rafe was sure that Glennas passion wasnt real. How could this beautiful woman desire a man so badly scarred both inside and out? Rafe had never opened his soul to anyone before, yet he burned for Glenna, and his carefully constructed barriers came crashing down. But could he prove to himself that he deserved Glennas love?
