

Coping with Your Pain and Suffering: Encouragement When You're Not Healed but You Love God

Life is full of challenges and even as Christians, we are not strangers to pain and suffering. The stories in the Bible have shown us that even favored kings like David and Solomon had their share of ordeals. The apostle, Paul, had to walk a lonely and hardship-filled road on his way to greatness. Job, a person worthy of admiration, went through sickness and almost loses the fight for his faith. Are you in the grip of pain and suffering? Are you struggling to keep your faith in the midst of all the trials? In this book, Matthew shows us that we can find joy in the journey and live life with a purpose. He will walk us through the lives of the people in the Bible who went through trials and tribulations and have persevered to fight another day in the Grace of God. Matthew will share his own struggles with a mental illness and how he has learned to ride the storm with Jesus. He reveals to us that when the pain seems unbearable, we can find comfort in knowing that we are loved and Jesus is with us every step of the way. Jesus suffered and died on the cross not just to save us, but to identify with our life as a mortal. If you are wondering what you can look forward to with all the pain in your life, Matthew shares the hope of healing and the rewards of a glorious life in Heaven.
