

## Craved: A Stepbrother Romance (Stepbrother series Book 2)

Part 2 to Tempted: A Stepbrother Romance

I wanted something that I knew I shouldn't have. I didn't give a f\*ck about the consequences until it was too late. The one person who brought light in to my life left, taking a piece of me with her. I have tried to move on, but how can you move on from something your blood, body and soul craves. She was my temptation, I will make sure that I am hers. I haven't seen Aidan since I left without saying goodbye. I was expecting him to chase after me, phone me every two seconds begging me to come back, but none of that happened. I am now getting ready for the next chapter in my life-college. I want a new start. I want to forget the dark blue eyes that haunt my dreams. How am I meant to move on if the one person who has the power to break me all over again ends up in the same college as me? He is determined to break through my walls I have built up, make my body scream for him. Why do I find it hard to say no? My body screams for me to say yes, but am I willing to listen? New adult contemporary romance with mature content. Recommended for 17+ due to mature language and adult situations.
