

Rush (The Breathless Trilogy)

When Gabe Hamilton saw Mia Crestwell walk into the ballroom for his hotels grand opening, he knew he was going to hell for what he had planned. After all, Mia is his best friends little sister. Except shes not so little anymore. And Gabe has waited a long time to act on his desires. Gabe has starred in Mias fantasies more than once, ever since she was a teenager with a huge crush on her brothers best friend. So what if Gabes fourteen years older? Mia knows hes way out of her league, but her attraction has only grown stronger with time. Shes an adult now, and theres no reason not to act on her most secret desires. As Gabe pulls her into his provocative world, she realizes theres a lot she doesnt know about him or how exacting his demands can be. Their relationship is intense and obsessive, but as they cross the line from secret sexual odyssey to something deeper, their affair runs the risk of being exposed ? and is vulnerable to a betrayal far more intimate than either expected.
