

Continuing in Gods Word: Basic discipleship studies for every believer in Jesus Christ

Every believer needs help to develop a relationship with the God of Heaven. Jesus Christ told the early church to disciple new believers by teaching them His doctrine and helping them to develop a relationship with Him. This book is meant to help believers of all maturity levels grow in the faith, so that they can stand against Satans attacks and live victoriously for Jesus Christ (Matthew 5:13-16). This book is written to perform the following functions:

1. To teach believers about biblical truths foundational to the Christian faith
2. To teach believers how to read, study, and apply the Bible
3. To teach believers how to pray and have their prayers answered
4. To teach believers what a Bible-believing church is and does in the world
5. To teach believers how to be good stewards of the things God has given them
6. To teach believers how to be faithful witnesses for Jesus Christ

Through these studies, the believer will grow closer to their Father in Heaven. Not because anything magical exists about this book, but because God promises that His Word works in us when we seek to learn about and follow Him (Isaiah 55:11; Hebrews 4:12; I Peter 2:2).
