

A Sissy in the Family

Bonnie's son Casey comes home from his first year of college a changed man. Gone is the loving, considerate boy she knew and loved. He has been replaced by a hard drinking, womanising, misogynist who immediately dumps his long time girlfriend and embarks on a series of one night stands. Fed up of Casey's treatment of the girls he brings home with him, Bonnie teams up with her best friend Suzy (mother of Casey's ex) and together they hatch a plan to show her son EXACTLY what it feels like to be in the shoes of one of the women he has treated like a piece of meat. Only, it isn't just the shoes that Casey finds himself wearing! Whisking a sissified Casey to a packed bar, Bonnie and Suzy enjoy his discomfort as he is hit on by a pair of masculine jocks. One thing leads to another, however. It is safe to say this is one night neither Bonnie, Casey nor Suzy will forget!
