

Fractured & Formidable: The Sacred Hearts MC Book 5 (Volume 5)

Shes Fractured... Mandy Price is best friends with Everett, the Ol Lady to the Sacred Hearts Vice-President. The product of a broken childhood, Mandy lives a fractured existence, but shes the preachers dutiful daughter and she knows how to keep a secret. Every Sunday she returns to her fathers church, sits at his table and plays the good girl. But Mandy is starting to grow into her own. Its becoming harder and harder to maintain appearances, and the strain is taking its toll. Hes Formidable... Revelator has had his eye on the innocent redhead from the moment he first saw her. But life got in the way of him pursuing the angel, prospecting for the club taking up just too damned much of his time. Fully patched at last, preparing to make a move, thats when his shop and his living came down around his ears. Faced with rebuilding from the ground up, hes decided that if he has to start from the beginning, he might as well go all in. The life he plans on building from here on out definitely has his Red by his side and no one elses. It doesnt take Rev long to find out what his girl is hiding, and when he does, someone is going to realize just how formidable he can be.
