

Community Service: Hot Gay Erotica

Man, you are going to be popular around here Clint has just inherited a beautiful cabin from his cousin Peter. They only met once but bonded for some mysterious reason. He didnt know why Peter would leave him anything, much less property. When he goes to see the place and meets some of the locals, he finds the answers to his questions He and Peter probably got along so well because they were both dick worshipping, cum-hungry cocksuckers!

Peter had sensed it in his cousin Clint, and left him the cabin where local men, visiting bikers and traveling truckers make a stop to experience Peters talents. With Peter gone, Clints got some big shoes to fill and a lot of cocks to pleasure. Does he have the skill and stamina to continue Peters community service? The first men are up to sample him: Walt, Walts young employee Bobby, and Walts brother Lynn *For adults only. Contains explicit details of gay sex, including oral sex, anal sex and orgy.

Sample: Walter slowly walked over to me and started unbuckling his belt and unzipping his Levis. I looked up at this forty-ish, tall good looking country hunk as he offered me his cock to suck. Being a devoted dick worshiper and cum hungry cock sucker, I anxiously waited to see what he had to offer. I was not disappointed. When he dropped his pants his hard cock almost hit me in the face. He was not huge but a good thick uncut 7 ? inches of man cock. He was oozing pre-cum juices from his piss slot. I gently gripped his firm hairy balls and placed my warm mouth over the end of his juicy cock. I encircled my tongue inside his wet lacy foreskin. He smelled and tasted like a man should. The minute I went down on him I heard him utter firmly. Thank the gods! Our savior Clint has arrived. Suck my cock and drain my baby makers. I have stored up a months load for you. Oh thank you Jesus. I almost laughed but kept on sucking and making love to his cock and firm hairy balls. I

dropped to my knees on the floor and continued to suck on this hunk for about ten minutes until he couldn't hold out any longer. He grabbed my head and pumped a huge load down my throat. He became weak and almost fell to the floor as his knees buckled from the experience. I swallowed every drop and licked him clean. Man oh Man. What a relief. My nuts were beginning to ache from all the cum I'd stored in my ball sacs. I needed that so much. Thanks again. You never have to tip me for doing things for you as long as you suck my cock like you just did. That was even better than Peter ever did. Man, you are going to be popular around here. Can't wait to tell my buddies
