

## Divine Suffering

In light of everything we've ever endured, every trial, every tribulation, there's purpose in it all. There's a lesson, a learning curve, a lifeline, and an end to all means. Just as there are seasons in a year's time, there exist seasons in this journey called life. Once we learn to direct our attention to a greater source than ourselves, we will have less dependency on ourselves. We all suffer challenges and trials, but what you're going through isn't a cause to lose faith and believe there's no God. When you make it out of this storm, it will be a time to acknowledge that there's none like God. Who else could turn a mess into a message? Who else could use a storm as a strategy? Who else could turn your hurt into a help? With this book, Solomon Smith Jr. aims to inspire the uninformed, uplift the downtrodden, encourage the disadvantaged, and reveal the unknown. May your whole mind, body, and soul be blessed through the words of this testimony. This is your season. God is doing a new thing and you're only going through DIVINE SUFFERING. To everything there is a season, and a time to every purpose under the heavens. A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted; A time to kill, and a time to heal; a time to break down, and a time to build up (Ecclesiastes 3:1-3).
