ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE This access code card gives you access to all of MyPoliSciLabs tools and resources, including a complete eText of your book. Government by the People, Brief 2012 Election Edition offers the most classroom-tested introduction to the foundational principles, processes, and institutions of American government but in a more streamlined and flexible format. Emphasizing the accomplishments of a government of the people, by the people, and for the people, this text highlights the central role people play in a constitutional democracy. Government by the People, Brief 2012 Election Edition inspires

students to see how similarities and differences in political beliefs continue to shape government today. This text features full integration with the New MyPoliSciLab. MyPoliSciLab includes a wide array of resources to encourage students to look at American politics like a political scientist and analyze current political issues. Political Explorer lets students play the role of a political scientist by investigating issues through interactive data. Core Concept videos discuss the big ideas in each chapter and apply them to key political issues. Simulations allow students to experience how political leaders make decisions. A better teaching and learning experience. This program provides a better teaching and learning experience for you and your students. Here's how: Personalize Learning The New MyPoliSciLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. MyPoliSciLab is now compatible with BlackBoard! Engage Students The stunning visual design engages students in the text. Improve Critical Thinking Learning objectives in every chapter help students focus on important topics. Analyze Current Events Coverage of the 2012 elections keeps the study of politics relevant and shows how political scientists look at the development of the American political system.
