

## Mountain Ranger Recon (Brothers in Arms)

Ian Dempsey knew he'd have a lot to answer for when he bumped into Meg, the wife he'd left behind to complete an undercover mission. Nearly three years had passed since he'd last seen her, but she was as beautiful as ever and as angry. Before he could explain his reasons for temporarily walking away, shots rang out and Ian quickly went from husband to bodyguard. Investigating his enemies would take time. And whether Meg liked it or not, he wouldn't leave her side until he could guarantee her safety. One step back into her life, though, and Ian knew the stakes were even higher. She had a two-year-old son. And he looked exactly like Ian.
