

A Sensible Lunatic

With visions of making the worlds first parachute-coat the inventor Bernhard Zelchert leaves his sleepy Austrian village in 1908 for the bohemian enclave of Montmartre. Once in the Parisian capital of sin he discovers a world unlike anything hes ever seen: cabarets, hashish, avant-garde artists and the beautiful Adriana. Obsessed with his passions and caught up in a love triangle hell stop at nothing, including murder, madness or worse, to see his dreams become reality.
