

The Kissing Game

Allowing Simon Hunt to play her partner on her latest assignment probably wasn't Frankie Paresky's best idea ever, but the PI found it just as hard as most women did to tell him no. When a chance to solve a long-ago mystery sparked a sizzling attraction between old friends, Frankie wavered between pleasure and panic. Could the best bad boy she'd ever known be the man she'd always love? Utterly seductive, irresistibly inventive, *The Kissing Game* celebrates a love as torrid as the Florida sun - and as steamily passionate as a first kiss.
