

The Woman Movement in America a Short Account of the Struggle for Equal Rights (Classic Reprint)

Excerpt from The Woman Movement in America a Short Account of the Struggle for Equal Rights With the hope that it will explain briefly the meaning of the Woman Suffrage Movement, this little book is offered. It is meant for the busy reader, who has not time for more than a short account of the struggle of women for political freedom, and in no wise is it meant as a critical study, but rather as a brief story of an interesting and vital phase of history. The first six chapters were written originally for The Chicago Sunday Tribune as an introduction to the story of Suffrage Movement in Illinois. It had fallen to my lot to present the cause of the suffragists of my I State and I saw no better way to begin the work than by showing the relation of the various suffrage clubs and suffrage activities of the present to the struggles of the past for liberty. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
