

In Conversation with God - Volume 1 Part 2; Christmas and Epiphany

In Conversation with God Volume 1 Part 2: Christmas and Epiphany consists of 22 meditations for the whole of Christmastide, up to and including the feast of the Baptism of the Lord, the First Sunday of Ordinary Time. In Conversation with God Volume 1 Part 1: Advent is now available separately as a companion volume. It consists of 29 meditations for the whole of Advent and ends on Christmas Eve. The complete work of In Conversation with God has more than 450 meditations for every day of the year. These meditations deal with the main topics of Christian doctrine and life. Author Francis Fernandez makes generous use of the writings of the Magisterium of the Catholic Church, the Fathers and the great saints, as he brings you focused and moving meditations on themes taken from the Mass readings for that day, the liturgical season, and more. This work is rich and extensive enough to serve as your spiritual reading and for a meditative prayer, as it helps you relate the particulars of the message of Christ to the ordinary circumstances of your day.
