

Interpreting Luke-Acts for the Local Church: Luke Speaks for Himself (Mellen Biblical Press)

This scholarly attempt to let Luke himself reveal his intentions in his two-part work seeks to communicate an understanding of Luke-Acts in language that can make the material come alive for those who are not academics. The approach to the materials is novel, and there are fresh interpretive insights, helping readers understand Luke in his time and how he understood (among other themes) the Hebrew Scriptures, history, the Holy Spirit, Jesus, and the Church.
