God help him, he despised Jamie Munroebut not enough to try to kill her. In court, shed helped his greedy ex-wife steal his fortune. In town, Jamie pretended he didnt exist. And yet, even she had to remember the hot chemistry theyd once shared in law school. A crazy part of him wanted to remind herand keep her safe.Even though Russ Calloway had broken her heart years agoand she was ashamed how often she watched him from her office windowaccepting his protection felt so natural. Especially as her stalkers threats escalated. Where else did she feel safe but in the arms of her enemy?
