

The Sun, The Stars, The Universe and General Relativity: International Conference in Honor of Ya.B. Zeldovichs 95th Anniversary (AIP Conference Proceedings / Astronomy and Astrophysics)

Volume covers, though not completely, the wide area of interests of Ya B. Zeldovich in the later part of his carrier: from field theories to the origin and evolution of the universe. Several papers were wirtten by his former collaborators: V A. Belinsii, V. M. Checketkin, J. Einasto, V. S. Popov.
