

Go Set A Watchman:A Detailed Summary About This Masterpiece Of Harper Lee! (BONUS: Fun Quizzes To Help You Understand The Book!) (Go Set A Watchman: A ... Audible, Summary, Mockingbird, Hardcover)

Go Set A Watchman: A Detailed Summary About This Masterpiece Of Harper Lee! Go Set A Watchman is a novel written by a Pulitzer Prize winner Harper Lee, who also wrote her work To Kill A Mockingbird, which made her famous around the globe and which also earned her Pulitzer Prize as mentioned before. Go Set A Watchman was published on July 14th 2015 by HarperCollins, and even though most of the readers consider this novel as a sequel to his first novel, To Kill A Mockingbird, if we examine the writers drafts, we will come to a conclusion that Go Set A Watchman is actually a draft. It does not serve as a sequel, even though it could because the novel revolves mainly around the same female protagonist from her first novel To Kill a Mockingbird, Jean Louise (Scout) Finch, who is now a grown woman (she is 26-years-old). Scout has returned to her previous hometown of Maycomb and things have changed greatly from the time when she left until now. Most of the people turned out to be quite different than they used to be, mostly her father Atticus. New revelations will have a great impact on her as well as the facts that some people, who she had great impressions on, are now behaving rather differently and have changed greatly. The name itself derives from the Bible, more precisely from the Book of Isaiah, chapter twenty-first, sixth paragraph. The author successfully follows the patterns from her predecessor To Kill a Mockingbird, as this novel also contains a lot of unexpected and rather controversial content. According to Amazon website, Go Set a Watchman was one of their most pre-ordered books, all the way since the seventh sequel of Harry Potter, which only confirms the quality of Lees writing skills. This summary contains mild spoilers as well as some of the references to Lees previous novel in order to help the readers to better understand the characters and the events of Go Set a
