

Help Me Lord, Im Drowning

This book is a compilation of different writing that I have done over the last two years. Throughout my life, I have suffered abandonment, abuse, and severe loss as well as battles with addiction. I have battled my own self-destructive behavior stemming from my own feelings of self-loathing, self-doubt, and self-pity. With Gods help, I learned how to change. God has spoken to me through His Word many times, and as a result, I felt compelled to share with others. If just one thing I share in this book helps someone, it is worth the effort. This life is just a vapor and only the things I have done for Christ will last.
