Mystery, Thriller, Romance Novels. My New Beginning: A Second Chance at Life! Janice and her sister Tasha are two women on top; both are very successful in their respective careers and married to equally successful, faithful husbands. Janices husband, Kenneth, is vice-president of a private company, while Tashas husband Terrance holds the same position at a law firm. These two couples are at their peak but due to their personal successes, having children became a distant priority. However, just when things are going smoothly in their lives, Janice gets brutally raped, causing her to temporarily lose her memory of everyone she ever knew. Kenneth stands by her side during this period, helping her recuperate while at the same time hunting his wifes rapist. Janice recovers and decides to put family on top of her priority. Meanwhile, Tasha becomes pregnant. It seems that life is starting to get better for the couples so they thought. Kenneths psychopathic stalker, Tashas dangerous pregnancy, and Terrances gunshot wound will soon cast a dark cloud over the lives of these couples. Will their love help them find peace and a second chance at life despite all these misfortunes? Gail F. Brown invites readers to witness their fate unfold in My New Beginning.
