

1983, British hardcover edition, Andre Deutsch, London, U.K., 227 pages. Black and white photo galleries throughout. Lord Hertford, while receiving his education at Eton, heard alarming news from his mother. The family home, built in 1680, had become too expensive for his parents to keep up. They planned to leave it behind. At the time of publication, Hertford took over the grounds and the home itself, all 6,000 acres of it, and made the enterprise profitable.
