

Revolution and Reaction in Modern France (Classic Reprint)

Excerpt from Revolution and Reaction in Modern France This book does not profess to be a history of Modern France; it is rather an attempt to describe the development of political thought and political parties there. I have not, therefore, made a point of narrating events in their chronological order - a task which has been accomplished by other writers, for example by Mr. Oscar Browning in his Modern France - but have endeavoured primarily to seize and reproduce the general character of each successive period. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
