

Ninja Mom Book 2 - Tubby Malone: Freddy's Diary (Kids Ninja Mom Adventure Books, for children age 5 and up)

My name is Freddy Potts and my Mom is a Ninja. You may think this is impossible and that they don't really exist.

Unfortunately, in my case it's true.. Mom is very secretive about it, but I am getting pretty good at spotting the signs. One thing is for sure, she always appears when I am in the middle of one of my adventures, and her revenge is always swift and deadly.

So when my holiday plans are completely disrupted and I have to go on an unexpected sleepover, the only good thing is Ninja Mom won't be watching over me for a few days. Well that's what I thought...

Freddy is back in the second Ninja Mom book for kids! It's bigger and packed full of problems for Freddy. This book is suitable for children age 5 and upwards, and quite a few adults too...
