

On Mystic Lake: A Novel

Annie Colwaters husband has just confessed that hes in love with a younger woman. Devastated, Annie retreats to the small town where she grew up. There she is reunited with her first love, Nick Delacroix, a recent widower who is unable to cope with his silent, emotionally scarred young daughter. Together the three of them begin to heal. But just when Annie believes shes been given a second chance at happiness, her world is turned upside down again and she is forced to make a choice that no woman in love should ever have to make.
