

Fearless Faith: Doing Great Things for God

Tucked in the middle of the New Testament is a chapter that is often referred to as the Hall of Faith Museum: Hebrews 11. In this chapter, we read about men and women in Scripture that lived with a fearless faith - a faith that brought down blessings from heaven. Surely this is something God looks for in His people. In fact, Jesus often healed people when they showed a deep faith unlike others. Fearless Faith: Doing Great Things for God is a 6-week Bible study that examines a believers faith by observing the kind of faith that truly pleases God. This study will draw important truths from Hebrews 11 by looking at the lives of several faithful servants, and also the Book of James, which is a narrative on how to live with an active faith. Many other passages in Scripture will also be given a spotlight as we answer one question throughout this study: What must I do to gain a fearless faith - a faith that is bold, strong, and unmeasured?
