

ICOMOS World Report 2002/2003 on Monuments and Sites in Danger / ICOMOS Rapport Mondial 2002/2003 Sur Des Monuments Et Des Sites En Peril / ICOMOS ... Sobre Monumentos Y Sitios En Peligro

The ICOMOS World Report 2002/2003 includes new reports from 55 countries. The report, together with updates, can also be found on the Internet (www.international.icomos.org/risk). Both the introduction and the initial chapter, outlining the issues and categories involved, are presented in English, French and Spanish. The main body of this work consists of numerous reports, generously illustrated with photographs. In addition to National Reports from individual countries, it includes Thematic Reports covering subject issues such as archaeological sites, dams, Polar heritage, historical parks, risk through tourism and others.
