

## Angel Quest, Insights (Volume 3)

Lily Carpenter is living a shallow life, filled with kids and an abusive husband. One single event, a car accident, has changed Lily's life forever. That event has now escalated into a series of events that have given Lily a choice. Is there a supernatural world surrounding her every day? Does God work through people and events to touch our lives? Granny Rose is a spiritual Christian woman that helps Lily realize that the normal life we lead is far from the reality of the universe. Supernatural events surround Lily and she has to decide about the reality of her life versus the life God wants her to have. Lily continues her adventure toward her destiny as her contemporary drama unfolds through dreams, visions and the word of God. Normal life seems to contradict her new found reality and revelation.
