

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Deutsche Politik (German Edition), Crazy Beautiful (Volume 1), Defense of the Heart, Walking in the European City: Quotidian Mobility and Urban Ethnography, Global Warming and Climate Change: Prospects and Policies in Asia and Europe (Energy, Climate and the Environment), Democracy and diplomacy: a plea for popular control of foreign policy, Macmillan, Khrushchev and the Berlin Crisis, 1958-1960 (Cold War History),
