

## Coffee Break Devotionals (From Genesis to 2 Samuel of the Old Testament)

This book is part of Pastor Scotts Coffee Break Devotionals series. The stories found in the first third of the Old Testament are rich in devotional material. For one thing, these stories are entertaining. Who can help but be drawn to a retelling of Noah and the Ark, Abraham and Sarahs adventures, Josephs coat of many colors, the Exodus, Joshua at Jericho, mighty Samson, and David and Goliath? In these passages we learn much about our own humanity and as we consider them we better understand what makes us tick. However, theres even more because in these stories we find God at work and we learn a bit about what he can do and what he wants to do in our lives. In this book of devotionals we take a leisurely stroll through the first ten books of the Bible. We dont hurry but instead slow down, read a bit, and then pick some interesting tidbit and think about it for a few minutes. Grab a cup of good coffee (or tea if you prefer), find a comfortable chair and let this book of devotionals help you think about the things of God during a short coffee break.
