

Japan would be presumptuous; yet, if I can in these pages contribute in some degree toward that end, I shall feel amply rewarded. I am indebted to those who have preceded me in this field for much of my detail. I shall, moreover, always hold that to my Japanese friends and others, who so cheerfully rendered me assistance in obtaining original matter, should be attributed any merit which this tale of old Japan may possess. Without them it could not have been, and for its shortcomings I alone am responsible. NOTE. The superior figures throughout the text refer to the notes in the appendix. (Typographical errors above are due to OCR software and don't occur in the book.) About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology. Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
