

Footprints

This family saga follows the lives of two sisters, Brook and Kalle Woodbridge, through a troubled childhood as they fight personal tragedies to build new lives for themselves. They build passionate and loving relationships along the way to personal and business success. They are touched by marital abuse, the tragic death of one sister, miscegenation and intolerance. The characters include: Brook: The beautiful sister whose life is tragically cut short by an abusive husband. Kalle: The timid sister who morphs into the strong family matriarch. Fletcher: The brilliant attorney who would give up everything for family. Phyllis: The ultimate trophy wife - a sophisticated beauty, social leader and trend setter with a secret powerful enough to destroy her marriage, position in the community, and prevent her from giving her husband the family he wants. Brandon: The handsome player who avoids relationships until a beautiful young woman stumbles into his life like a wounded doe. He nurtures her back to health, and watches her transformation into the self-assured Cinnamon unaware that she is capturing his heart in the process. Chance: The handsome Lothario with a dark side that brings pain and tragedy into the Woodbridge family, separating sister from sister and Mother from children. Just when the family begins to heal, he returns like a dark cloud, hovering over their lives, waiting to reign terror once again.
