

The Earth Kingdom Chronicles: The Tale of Toph (Avatar)

Im Toph. After my father found out that Id been competing in Earthbending tournaments, he put me under constant surveillance! So I left home. Now Im traveling through the Earth Kingdom with Aang - hes the Avatar - and his friends Katara and Sokka, on Aangs sky bison, Appa. Im teaching Earthbending to Aang, and man, do I have my work cut out for me! Even though weve had our differences, its kind of nice knowing these guys will always have my back and point me in the right direction when I cant feel which way to go.
