

Speeches on Indian Affairs (Classic Reprint)

Excerpt from Speeches on Indian Affairs This is the second and up-to-date edition of Lord Morleys Speeches and Writings on Indian affairs. At the moment when the question of Self-Government for India is being keenly discussed on all sides, Lord Morleys Speeches on Indian Reforms, particularly those made in the House of Commons and in the House of Lords in his capacity as Secretary of State for India and also his famous Despatch on the Indian Councils Bill, 1909, will be read with immense interest. Every effort has been made to include in this edition not only all the speeches of Lord Morley on Indian subjects but also his contributions to the press on the same. To facilitate easy reference an index has been added to this edition. Advantage has been taken of the issue of the revised (Third) edition to include Lord Morleys views on the Montagu Reforms as well as King Edwards Gracious Proclamation (Appendix F.) which is well known as the handiwork of Lord Morley, the then Secretary of State for India.
