

Night Music

Marian Barr, world famous pianist and Georges Pascal, bad boy conductor are an item. They shouldn't be. Marian is blonde and beautiful and Georges is dark haired, temperamental and the bad boy of classical music, but Georges loves Marian to distraction. He has put her on a pedestal and that is what scares Marian because she isn't his perfect princess. She has a secret past which comes to light when a psychopath begins stalking her. Marian turns to her sister for help but Sally, it appears has a secret of her own. Scared she will lose Georges love forever, Marian sets out on a quest to discover exactly what happened to the child she was forced to give up for adoption seventeen years earlier. Convinced she is having an affair Georges sets out to follow her.
