

Sweet Victory

For her employees' sake, Victoria James quits her job to save theirs. That decision loses her the man she thought she loved, and sends her back to Memphis, TN with everything she owns to face a neglected and forgotten relationship with her grandfather. Everything she has is stolen. Chad Kirkpatrick, her childhood love, the first man to break her heart, now a police officer, comes to her aid. Can she move forward, and put her past behind her? Will Chad forgive her?
