

Teacup Daddy

TEACUP DADDY Its a familiar story. Boy meets Girl. Boy meets Girls girl. Boy falls in love with the Girls. A match made in heaven? Anthony and Lilly seemed to have the ideal life. He was diligent, sincere, an excellent scholar, an ambitious businessman and a quick study as a father. She was attractive, hard working, a good mother and a loving wife. Bonding them together (and occasionally blasting shrapnel at them) is their (usually) adorable baby girl. To outsiders, they had it made. Up until the discovery, they both thought so as well. How could it go so wrong? What treachery and betrayal would be uncovered? Life throws together a little girl, newlyweds, an amoral ex and a vixen. Each of those lives are changed forever, in unanticipated ways. Find out how Boy and Girl make out while little girl discovers what a world of difference a good daddy can make.
