

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Le politicien, le marabout-feticheur et le griot dans les romans dAhmadou Kourouma (Harmattan Cameroun) (French Edition), Korean Family and Kinship Studies Guide: With a Section on Women, The History of England from the Invasion of Julius Caesar, to the Revolution in 1688, The Invasion of France in 1814, Developing & Presenting a Professional Portfolio in Early Childhood Education 2nd EDITION, The Best Yes: Making Wise Decisions in the Midst of Endless Demands, Managing Human Resources (6th Edition),
