

The Causes of War, Including an Outline and Study of the World War and Official Peace Negotiations (Classic Reprint)

Excerpt from The Causes of War, Including an Outline and Study of the World War and Official Peace Negotiations There was also recognized the need, well nigh universal up to the very present, of a brief suggestive course in book form, for the study of the Great War, - its background, progress and issues, and the peace outlook, which would be suitable for the busy student and the busy citizen, who are simply bewildered in the great mass of unorganized material that confronts them, - and that this should be adapted to the schoolroom as well as the home. Hence the second and third parts of this work. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
