

John H. Reagan; Memoirs: With Special Reference to Secession and the Civil War (With Interactive Table of Contents and List of Illustrations) (Notable Civil War Texans Book 1)

NOTE: This book has been scanned then OCR (Optical Character Recognition) has been applied to turn the scanned page images back into editable Text. This means that the text CAN be resized, searches performed, & bookmarks added, unlike Kindle Books that are only scanned. We have added an Interactive Table of Contents & an Interactive List of Illustrations. This means that the reader can click on the BLUE AND/OR underlined links in the Table of Contents or the List of Illustrations & be instantly transported to that Chapter or Illustration. To make reading easier, especially on smaller mobile devices, we have added the following reading aids: an indent to the first line of each paragraph, a page break after each chapter, each Illustration & any page(s) with a footnote(s). Our aim is to provide the reader AND the collector with long out-of-print classic books (OOP) at realistic prices. If you load your mobile device(s) with our books, not only will you have fingertip access to a large library of Antiquarian and Out-Of-Print material at reasonable prices, but you can mark them up electronically & always have them for immediate reference, without worrying about damage or loss to expensive bound copies. We have inexpensively published other interesting nonfiction classics on history, science, reference, etc in. E-book format, including An Apache Campaign in the Sierra Madre. With Table of Contents And List of Illustrations that are Interactive) (ASIN: B0081XAX6O), On The Border With Crook (With Table of Contents And List of Illustrations that are Interactive) (ASIN: B007VQB0GE) both by this same author, & Civil War titles, such as Abraham Palmers The History Of The Forty-eighth Regiment New York State Volunteers, In The War For The Union: 1861-1865 (With Table of Contents And List of Illustrations that are Interactive) (ASIN: B0086I5VEI). We will

be adding to our titles regularly, look for our offerings on Amazon. Memoirs: with Special Reference to Secession and the Civil War Notable Civil War Texans Book 1 by John H. Reagan is an inside look at pre & post Civil War Texas politics and Civil War Confederate politics by an insider. John Reagan was an early settler in Texas and served in the US Congress from Texas, in both House and Senate, both before and after the Civil War. In addition, he was Postmaster General in Confederate President Jefferson Davis first (and only) Cabinet. He was friendly with Davis, Vice-President Alexander Stephens as well as other highly placed Confederate politicians and army officers. From his station in the Confederate Cabinet he gives a first hand view of Confederate politics and war time decisions. He opposed, for instance, Lees second invasion of the North that ended with the disaster at Gettysburg. Instead, he proposed that Lee feign an invasion to paralyze the Union army north of the Potomac while sending reinforcements to relieve Vicksburg, Mississippi, the loss of which modern historians consider a defeat as bad if not worse than the defeat at Gettysburg. Reagans account of pre & post Civil War Texas politics is also enlightening regarding the history of Texas secession thinking as well as the politics of the Texas Reconstruction period. A must read for the student of Texas history for background material that led to the events of the momentous period from 1840-1880.
