

## The Gunstock Parish: A History of Gilford, New Hampshire

The Gunstock Parish is a must have for those interested in the history of Lake Winnepesaukee and is one of my favorites. It is very well written, easy to read and contains much fascinating history of the lake, not just of Gilford. A separate map is included in a separate envelope, on which is written: The maps herein are part of the Gunstock Parish, published for the Thompson-Ames Historical Society of Gilford, New Hampshire by Phoenix Publishing. 463 pages, nicely illustrated. Adair Mulligan is a wonderful author and I wish she would write more on the history of the lake and surrounding communities.
