

Seduced at the Club: A First Lesbian Sex with Friend Short

Kirsten is a bit tired of her wild and sexy friend Wendy treating her like a prude just because she doesn't walk around behaving like a complete and utter slut all the time! On the other hand, she does want to appear adventurous, so when her friend convinces her to go pantless for their night out, she agrees. Of course, she didn't know Wendy just wanted eager access to her friend's pussy and that she'd be having her very first lesbian sex experience right at the club where anyone could see! Warning: This audiobook contains very explicit descriptions of sexual activity during a first lesbian sex encounter. It includes oral sex, sex in public, club sex, sex with friend, and lesbian sex. It is intended for mature listeners who will not be offended by graphic depictions of sex acts between consenting adults.
