

## The Little Village Bakery: A feel good romantic comedy with plenty of cake (Honeybourne Book 1)

Hooked ... when the truth was revealed it was not what I was expecting I can honestly say it was delightful. The Book Jotter Help yourself to a generous slice of Victoria sponge, a perfect cup of tea and a big dollop of romance. Welcome to the Little Village Bakery. Meet Millie. Heartbreak has forced her to make a new start and when she arrives at the old bakery in the little village of Honeybourne she is determined that this will be her home sweet home. Her imagination has been captured by the tumbledown bakery but with no running water and dust everywhere, her cosy idea of making cakes in a rural idyll quickly crumbles. Luckily the locals are a friendly bunch and step in to help Millie. One in particular, Dylan, a laid-back lothario, soon captures her attention. But just as Millie is beginning to settle in, an unexpected visitor from her past suddenly turns up determined to ruin everything for her. Its time for Millie to face the skeletons in her closet if shes going to live the dream of running her little village bakery, and her blossoming romance with Dylan. A charming heartwarming novel about love, life and new beginnings perfect for fans of Milly Johnson and Debbie Johnson. Praise for The Little Village Bakery: An absolutely wonderful feel good summer read. This book was a real pleasure to read, which I absolutely devoured in one sitting. The Reading Shed I absolutely loved it. The story weaves together a tale of love, friendship, trust, desire and so much more. I will be reading more by this talented author. Havent Got a Clue I adored this delightful story I am already pining for more A lovely heart warming tale of new beginnings, new friends, new love. 5/5\* Krafti Reader This is an adorable tale of new beginnings, new friends and a village pulling together.Highly recommended. Shelley Back Books I absolutely loved thisWell Read Pirate Get yourself out in your

garden, with a cool drink and maybe some cake and enjoy this lovely summery read. Portobello Books I loved this story, it had a little bit of everything, romance, heartbreak, mystery and a little magic thrown in for good measure. Ill definitely be reading the sequel when it comes out. Mum Reinvented I loved Honeybourne; its the kind of place I would love to live. This is a sweet, enjoyable read Cayo Costa What readers are saying about Tilly Tennant: A wonderful read with a bubbly, unique and fresh style of writing Skys Book Corner Tilly makes her characters so relatable that you cant help but fall in love with them Starcrossed Reviews Tilly Tennant has obvious talent for turning the every day into a fairy tale... a sweet touch and light humour BestChickLit.com Tilly Tennant has an amazing gift for story-telling and Im sure were going to see great things from her in the future.
