

Memory of Loves Embrace

Virginia was a small-town girl. Believing she was going to be single and alone forever, she finally finds the man of her dreams, Mr. Nathaniel McNichols. Nate was everything she wanted for a soul mate and more until tragedy horribly takes him away from her. Follow closely as Virginia faces life without her beloved and as she relives those magical and erotic times she had with him as disaster strikes her once again. Experience her horror and her trauma as she once again faces life on her own. See what surprises the future holds for Virginia as she recalls her Memories of Loves Embrace.
