

The Mirror: 31-Day Christian Devotional

The mirror of the Lord is the Word of God. It is supernatural, so supernatural that when you look into it you do not see natural things. Rather spiritual or supernatural things define the visibility of what you see -- the glory of God. The man that constantly looks into this enchanting mirror is transformed, from one level to the next, into that perfect reflection he sees! Many people read the Bible but few are able to receive the Word of God from it. You can only read the Word of the Lord by revelation that comes by the Spirit of God in you. This is why the natural man or the fallen man or the man that is not born again cannot comprehend the things of God -- the Word or the revelation of God. In this Devotional, Pastor Mutaremwa Frank Bushuyu helps you look into the mirror on a daily basis. If you subject yourself to looking into the mirror everyday, it is inevitably guaranteed that you will begin to live the uncommon life. The supernatural life. A life deserving of every offspring of God.
