

The Old Custom House (Sweet Meadow)

The fifth book in the popular Sweet Meadow series. When Menai Thomas buys and renovates one of Sweet Meadows historic buildings, Rosalie Morgan is keen to introduce her to the neighbourhood. The little coastal New England town is impressed by Menais style and sophistication. The new owner of The Old Custom House is soon on her way to becoming part of the small and individualistic community whether she likes it or not. Lives become complicated when Lizzie Morgan makes an unexpected return. Rosalie and her husband have some difficult choices to make. Menais own unexpected dilemma will affect all their lives, especially her own.
