

Cross Roads (Sisterhood Series)

It's been a year and a half since the women of the Sisterhood received their presidential pardons, but the freedom they craved has come at a high price. The impossibly lucrative positions handed out to them by the mysterious Global Securities company have turned out to be golden handcuffs, scattering them around the world, cutting off communication, and leaving them in miserable isolation. But a happy homecoming at the old Virginia farmhouse is marred by the hijacking of Nikki and Kathryn's private jet. It seems their few fellow passengers are not ordinary travelers—they're an elite group of Interpol agents who urgently need the Sisterhood's help. Now the ladies face a stark choice: resume their vigilante status for one of their most hazardous assignments yet, or try to outwit a group of powerful adversaries willing to use truly desperate measures. This time, everything is in the balance—their lives, their friendship, and the freedom they fought so hard to gain. Praise for Fern Michaels and her Sisterhood novels: Revenge is a dish best served with cloth napkins and floral centerpieces. Fast-paced, poetic justice first. Publishers Weekly on Payback: Delectable, deliver[s] revenge that's creatively swift and sweet, Michaels-style. Publishers Weekly on Hokus Pokus
