

Unearthing Your Ten Talents

Beginning with the Gospel parable of the talents which were buried in the ground by some, and multiplied by others Kevin Vost here unearths a treasure for those who are struggling to live a life of Christian virtue: the ten particular talents that God has given each of us as our own . . . to bury . . . or to multiply for our own good and the good of the Kingdom. Guided especially by St. Thomas Aquinas, one of the Church's greatest teachers, as well as by Fathers of the Church and the example of many saints, Vost explains how you can discover, understand, and perfect each of your own ten talents. In the process, you will develop your noble ability to reason, strengthen your faculties of mind, perfect your physical capacities for beauty of form and grace, nurture your ability to act angelically, and prepare yourself to live that life which is proper to a being made in the image of God. Do you know what your ten talents are? Do you know what God wants you to do with your life? As He gave ten talents to each of the souls in the parable, so He has given ten particular talents to you. Don't ignore them any longer, or leave them buried. Let Kevin Vost help you unearth them, and show you how to multiply them a hundredfold.
